THE GREEN VALE SCHOOL

Science Teacher position

For a position to begin in August of 2019, GVS is seeking a science teacher who will be an enthusiastic member of the Green Vale community. All teachers are charged with ensuring that programming reflects and aligns with The Green Vale School's mission, values and culture.

Position Description

Qualified candidates will possess 3-5 years of experience in classroom teaching and a Bachelor's degree in a related field. A Master's degree is preferred. Green Vale seeks candidates who are skilled, creative, innovative, and adept at employing technology in the classroom. Effective writing and speaking skills, a good sense of humor, a positive outlook, and an appreciation of the unique qualities of the age group are essential.

Essential Requirements:

- Three to five years of experience as a lead teacher
- Degree in education
- Effective classroom management skills
- A collaborative team player
- Well-honed communication skills with both adults and children

Knowledge, Skills & Abilities:

- Teaching science to middle school students in grades 6-8
- Knowledge of the content covered in general science, specifically, Life, Earth and Physical Science
- Expertise of content covered in the Living Environment/Biology curriculum
- A commitment to working with students and an enthusiasm for making real world connections through the field of science
- A willingness to collaborate with others and continually inspire students to love learning

Please send a cover letter and resume to Aisha Daley at adaley@greenvaleschool.org.

No phone calls please.
