We will also make some delectable snacks you will surely "dig". Enjoy water play to cool down and the fun outdoors with your friends. What a great way to start your summer! ***All Young 3's participants must be potty trained. (\$35 supply fee)**

Co-ed Wing Chun Kung Fu/Self Defense

Weeks A Grades: 6 to 9
Instructor: Si-Hing John Feliciano

Have you ever wanted to study Kung Fu? Made famous by Bruce Lee, Wing Chun is a style of close-quarters Kung Fu or Chinese boxing developed over 450 years ago by a woman from Shaolin that teaches us how to relax, gives us an understanding of our bodies and what they can do in situations where we may be forced to protect ourselves. Participants will have fun while learning to develop an awareness of mind and body, learning how to build might and flexibility, and develop balance and coordination. Wing Chun is perfect for both boys and girls of all body types. In addition to learning footwork, basic self-defense techniques and hand positions, the history, culture, traditions and philosophies behind the evolution of Kung Fu as a martial art will be a major concentration of this camp; as such students will be challenged to investigate a new way of thinking about the world through the lens of Kung Fu. **(No supply fee)**

Sports Around The World

Weeks A Grades: 4 to 9
Coach: Ms. Sarah Jones

Do you know how to play Cricket or what the basic rules of Rugby are? Have you ever heard of Stool ball? Would you like to improve your Badminton serve? Come and join this week-long program and learn some new sports which are played outside of the United States. Rules and strategies of each sport will be taught at the beginning of the day. Then, campers will get to experience playing in a scrimmage or match! Campers must bring a mouth guard and water bottle every day. **(\$10 supply fee)**

Measure, Mix and Mingle

Weeks A and B Grades: K to 4
Teachers: Ms. Nicole Zergebel
and Mrs. Aisha Daley

Do you have a hungry mind? Wash your hands and join our camp for a yummy hands-on experience. Campers will explore and discover the uses of math and science in the kitchen through a variety of experiments and recipes. From making hard candy, ice cream in a bag, patterns with brownies and mock apple pie to building structures and other investigations with food – come measure, mix and mingle the week away! **(\$40 supply fee)**

Problem Solving Skills for Student Leaders

Weeks A and B Grades: 6 to 8
 Leader: Mr. Richard Quinlan
Please note: This course is offered at half the regular tuition price and is a co-requisite to being a new volunteer C.I.T. in our Mini Camps!

How does one gain the skills and techniques to become an effective leader? The students in this program will be exposed to a variety of leadership building strategies through group discussions, problem solving exercises, writing, and group activities. The course will run concurrently with the camp volunteer program, as the students will partake in ninety minutes of ethical strategies and then ninety minutes volunteering as assistants for a variety of the camps. The philosophy of this methodology is to allow students to learn leadership skills and act upon them instantaneously. The program will focus on a variety of topics appropriate for Middle School students including individuality, effective conflict resolution techniques, decision-making, personal responsibility, and developing values for a lifetime. Each day will feature workshops in which the students work in both small and large groups, sharing ideas and expressing their views on particular topics. The goal is to produce a broader sense of leadership in our students which will prepare them for successful futures. The group will also partake in larger volunteer programs around the Green Vale campus during the week, going beyond working with other summer camps to create a truly unique leadership experience. **(No supply fee)**

Kickboxing Ninjas

Week B Grades: PK to 1
 Sensei: Sensei Hender Alvarado and Sensei Andrew Goldberg of Gold Martial Arts

Would you like to be a Kickboxing Ninja? Come experience the dynamic cardio and strength training program designed exclusively for kids. By incorporating exciting martial art movie-style moves, yoga, and kickboxing drills, campers work to develop every major muscle group. A unique concept, known as "Edutainment," is used to teach your child focus, discipline and confidence while encouraging the benefits of teamwork and good behavior at home, school, and social situations. The Kickboxing Ninjas camp will help your child enter the world with a confident and enthusiastic outlook. **(\$50 supply fee includes uniform (Karate Gi), belt, GMA Martial Arts t-shirt, kickboxing gloves, headband and foam nunchaku all of which students may keep).**

NOGA Soccer

Week A Grades: N to K
 Coaches: NOGA Soccer Company

NOGA SOCCER IS COMING TO GREEN VALE! For nearly 30 years, NOGA© has offered unparalleled, exciting, and educational summer soccer camps to youth players throughout the United States, and we are proud to announce The Green Vale School as the newest camp in 2013. Each NOGA© Soccer trainer is qualified at the highest level with both national and international coaching qualifications, therefore offering each child only the best instruction, specifically designed to maximize each and every player's exposure to the game. With an innovative approach to soccer training, every child will walk away with a smile on their face, coupled with a passion and new level of enthusiasm for America's fastest growing sport, and, if that is not enough, each player will also leave camp with a few fun give-a-ways. Do not delay--spaces are limited! We look forward to seeing you on the field. **(\$20 supply fee)**

Model Rocketry

Weeks A and B
 Grades: 3 to 9+
 Teacher: Mr. Frank Zanone

Back for its 5th year in a row, due to high demand--MODEL ROCKETRY! All systems are a "go" for a memorable week of building and launching rockets that will blast you off into a fun start to summer. Campers will have the opportunity to build and safely launch several different types of rockets while learning about the principles of flight and aerodynamics. A "safety-first" approach is followed at all times. This is a "hands-on" camp for all levels of rocket enthusiasts (beginner through advanced). So whether you have built and launched many rockets in the past, or have never worked with rockets before, (but have always wanted to) this is the camp for you! Please note that campers who attend both weeks will build and launch different types of rockets each week. Register early as this camp fills quickly! **(\$60 supply fee)**

Boys' Baseball

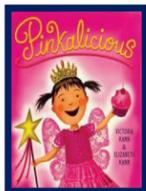

Week A Grades: 3 to 6
 Coach: Mr. Bill Hiss

If your son loves baseball or you want him to have an edge over the other boys, this is the age to learn the fundamentals of the game. Join Mr. Hiss (who played professional baseball) and learn the finer points of base running, fielding and batting. The goal is to help each boy improve his skill level and gain confidence in his abilities. We will make time to have a game each day! What could be better than learning the game of baseball in an enjoyable, friend-filled environment? Cleats are optional, but sneakers and a baseball glove must be brought each day. **(No supply fee)**

Pinkalicious Fun

Week A: Grades N to K GIRLS ONLY!
 Teachers: Miss Trish Koopman and Miss Ashley Trogele

Come join Miss Koopman and Miss Trogele for a week of Pinkalicious FUN! If you love the color pink and dressing up like a princess, then this camp is the perfect ONE! Get your magic wand ready and hurry right our way, We'll eat pink cupcakes and celebrate like princesses each day! Our Pinkalicious week will be simply grand as we spend time being princesses together! We will explore all of the finer qualities of being a princess. The week ending highlight will be a PRINCESS GALA where each princess will be introduced and given her own crown and flower to showcase her successful completion of Pinkalicious camp. We'll cover whatever princesses need to know, from kissing frogs to sleeping on a pea, through stories, dress-up, arts and crafts... you name it! And, everyone will "live happily ever after!" **(\$40 supply fee)**

Papermaking

Week B Grades: K to 3
 Teacher: Mrs. Joanne Pappas

In China, up until 1798, all paper was made one sheet at a time. Be amazed by the magic of making your own paper and helping to protect the environment as well. We will take your junk mail or scrap paper and turn it into gorgeous handmade papers to use for cards, journals, scrapbooking pages, bookmarks or photo albums. The process is so incredible you won't believe your eyes... add flower petals, colored paper, glitter and even grass to make something unique! **(\$25 supply fee)**

Green Vale Pacers

Week A: Grades 4 to 9
GIRLS ONLY!

Teachers: Mrs. Corinne Maron
and Mrs. Camissa Gallagher

Do you enjoy running? Working out? Nutrition? Girl talk? Then, Pacers Camp is for YOU! Using the power of running to help prepare girls for a lifetime of self-respect and healthy living, this interactive camp will combine self-esteem enhancing lessons with uplifting workouts. Each lesson, combining running, weight training and healthy snack preparation, is designed to develop the whole girl - her physical, emotional and social self. Young girls will become empowered with a greater sense of self-awareness, achievement, and a foundation in team building. **(\$25 supply fee—includes healthy snacks and take home gift!)**

Splash and Laugh!

Weeks A and B Grades: N to K
Teachers: Mrs. Paula Klein
and Mrs. Nessa Hoffmann

Come have fun with us as we **SPLASH AND LAUGH** our way through the week. We will stir and mix to make concoctions, dig as we plant around the Green Vale campus and have lots of water fun in the early summer sun! Get ready for water games, competitions, dress-up, paints, goop, slime and toilet paper galore (join us and see what we mean)! There will be tons of hands-on activities, camp give-a-ways, and, of course, a snack or two each day which will bring smiles to all faces. Join the fun, jump right in! **(\$30 supply fee)**

Purplicious Fun

Week B Grades: N to K
Teachers: Miss Trish Koopman
and Miss Amanda Sullivan

Get your fingers ready for some hands-on Purplicious fun with Miss Koopman and Miss Sullivan. If you love the color purple and enjoy dressing up as a princess, then this is the perfect camp for you! Our PURplicious week together will be just PURfect! Tremendous fun is headed your way as we design cupcakes, splatter paint t-shirts, construct beautiful crowns and even make our own ice cream and lollipops! If you're ready for more surprises, then come and see what fun this will be!! We can't wait to see you there!! **(\$40 supply fee)**

Under the Sea

Week A Grades: Y3's and N
Teachers: Mrs. Amy Kraft and
Mrs. Jill Domagala

Are you ready for a week of water FUN? If so, wear your bathing suit and plan on getting wet! We will have a ball in the sprinklers, play water balloon hot potato, dance and sing with bubbles and even "go fishing"! Many water-themed crafts and beach ball games are planned! Yummy, fishy snacks and fun read-alouds are on the menu as well! A week not to be missed! **(\$25 supply fee)**

Xtrnormal! The Xtraordinary Movie Maker!

Weeks A and B Grades: 2 to 7
Teacher: Mrs. Frances Ott

Have you ever wanted to create animated 3-D movies of your very own? Well, if you can type, you're on your way! It's just that easy. You select the actors, choose the setting, write some dialogue and away you go! You'll be producing movies like a pro. It's simple, easy and tons of fun! Look out Hollywood... here we come! **(\$10 supply fee)**

Proud Pilots

Weeks A and B Grades: K to 2
Instructors:
Hobby Quest® Aviation

Soar through the week with your own hand-made high flying aircraft! In this exciting summer camp, you'll learn to build your own aircrafts and delight as they fly overhead. Campers build high-flying balsa wood motorized airplanes that can climb to altitudes as far up as four stories. Sleek, fast, and efficient, these crafts shoot toward the sun in rocket-like ascent. Next, you'll discover our Long Distance Fliers that are made for wind endurance, traveling lengths as great as a football field and maintaining flight durations of up to three minutes. You can't miss out on that incredible fun! Of course no vacation adventure would be complete without learning a few new tricks - and that's just what our Stunt Machines are made for. Whether handling sharp maneuvers or sweeping through loops and curves, these models are sure to amaze. Each model is built from scratch and is yours to keep at the end of the camp!! **(No supply fee)**

Lady Laxers!

Week A Grades: 4 to 9
Coaches: Mrs. Maggie Healy
and Mrs. Kelly Gelles

Calling all girls interested in learning the fastest growing sport in the United States! You're guaranteed to learn new lacrosse skills and stick tricks! Campers will be divided into groups according to age and skill. Beginning skills as well as developing the more precise skills of an aspiring high school player will be the main focus through individualized coaching. Daily activities will include passing, catching, shooting, dodging and team play. Campers must bring a lacrosse stick, mouth guard, goggles and a water bottle every day. **(\$15 supply fee)**

Little Dragons

Week A Grades: N and PK
Sensei: Sensei Hender Alvarado
and Sensei Andrew Goldberg of
Gold Martial Arts

Hi-ya! Come join the karate fun with fast-paced, fun filled, educational and motivational lessons designed to improve your child's listening and motor skills. Co-taught by Sensei Hender Alvarado & Sensei Andrew Goldberg of GMA Martial Arts campers will learn to respect their bodies as well as their parents and teachers through a variety of age-appropriate games and drills. **(\$50 supply fee which includes uniform (Karate Gi), belt, GMA Martial Arts t-shirt, headband and foam nunchaku, all of which students may keep).**

Dancin' Through the Decades!

Week A Grades: 1 to 9
Dance Coach:
Ms. Claudine Roger

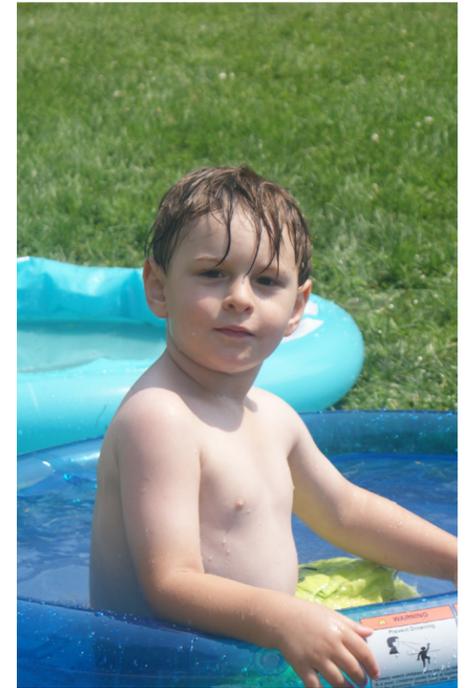

Are you ready to 'Dance Through the Decades'? Come travel through the dancin' years starting with the 1950's all the way to the present day. We will spend time learning dance moves from different eras and making up dance routines each day. The children will become familiar with dances such as The Swing, The Twist, The Mashed Potato, The Hand Jive, The Cha Cha, Bollywood and much more! All of this, while getting a great workout! You do not need to have any dance experience. It's all about having FUN! **(No supply fee)**

Design Diva

Week A and B Grades: 1 to 4
Instructors: Hobby Quest®
Fashion Design

Calling all fabulous fashionistas - looking for that perfect summer outfit? Learn to make it yourself! Designing summer staples such as sunny shorts, breezy skirts and terrific tops will seem easy as you add one-of-a-kind works to your warm-weather wardrobe! We'll teach you the ins and outs of fashion design from top to bottom, head to toe - the possibilities are endless as we show you how to tap your creative genius. You'll create an entire ensemble, including shirt/blouse and skirt/shorts to show off for the rest of the summer. And, because no look is complete without a bit of flair, we'll make some fun accessories such as belts, scarves and hair pieces. Our Fashion Instructors guide you through every step of the process, from construction to final fitting. And since every young designer deserves their day on the runway, we'll celebrate the end of the season with a fashion show for friends and family! So when the kids back at school ask you where you got that fabulous outfit you can smile and say "Oh this thing? It's just a little something I made myself." **(No supply fee)**

A registered Nurse will be on duty, on campus, during all camp sessions.

A snack will be provided each day for all campers.
