Letter from Head of School

Dear Alumni & Friends,

While away over the summer, I ran into a Green Vale graduate who has not been on campus for roughly thirty years. As I described the School, he said, "it all sounds familiar while being different." Our recent campaign is evidence that the School is thriving.

The hole in the middle of our campus is a result of our community's ongoing devotion and generosity. Of course, I am referring in a literal sense to the dug-out foundation of the new Upper School building currently under construction. I am also referring to the scores of alumni and past parents who have been inspired by the learning, character building and life-long friendships that will fill the hole for generations to come.

I am proud to be part of such a loyal community - whose love for Green Vale continues to endure: Optima Durant! We look forward to welcoming you back to campus on **September 30** for our inaugural homecoming, "Sunday Night Lights", with a special dedication of the **John Ruecker** Scoreboard & Field.

Jesse Dougherty, Ed.D.
Head of School
